

# WELCOME TO GRÜNER ANKER

We are pleased to invite you to experience the Bulgarian hospitality. Here you will be spoiled with culinary delights and we also offer a variety of delicious German dishes. If you have planned a larger celebration, our banquet hall, which holds about 120 people, is perfect for it. However, if it is a smaller family celebration, you can also use our bar which seats 35 people. We also offer a bowling alley for those who enjoy sport related activities.

During the summer months we also serve our meals in our beer garden. From there you have a wonderful view of the town hall, which was built around the 13th century, and the St. Marienkirche, which is affectionately called „Dicke Marie“ by the people of Barby. Besides these and various other attractions, Barby's position along the Elbe-Saale River is particularly remarkable. The area of the middle Elbe was put under protection by UNESCO as a biosphere reserve in 1979. This unique landscape invites you to go for walks, canoeing and cycling. Because the Elbe Cycle Path passes through Barby, our guesthouse specializes in catering to cyclists.

In order to keep the Bulgarian traditions and bring them closer to our guests, we organize a monthly (from October to April) Bulgarian evening with folklore dances and Balkan music. Of course, your physical well-being is also taken care of at these events. If you are interested, please ask for the current date. We will be glad to help you with any other questions you may have. We wish you a pleasant stay.

Christo Kitow and his team.
